Skills

Graphic Design

I have undertaken a Graphics Design short course to familiarize myself with creating and editing images and videos.
■■■■■□

Public Speaking

I am a proficient public speaker; a skill I gained after presenting multiple personal projects to various companies and individuals
■■■■□

Typing Skills

I am good at typing text rich documents with typing speeds of 40 - 50 words per minute.
■■■■■

Multitasking

I am an efficient multitasker with the ability to handle 2-4 tasks at the same time and produce top notch results.
■■■■□

Teaching

I am naturally skilled teacher who has handled students since I was in school myself. I used to effectively tutor my own peers which I still do even at university level.

■■■■■

## Languages

English

I am a fluent English speaker and writer.

■■■■■

Swahili

I am a fluent Swahili speaker and writer.
